

Message from President Carl --

The meeting on Saturday will be at my house Oct. 5 starting at 10 AM. I encourage anyone who wants to display a plant at Asheville to bring it to the meeting for review. We will select the four or five trees that we will display. I will be going up on Friday, October 11th to set up and on Sunday, October 13th to take down our display. I will not be there on Saturday since my Corvette Club is having their annual car show that day and I will be judging cars all day.

Carl

Carl's address is:
